Endorsements

“Rob has never disappointed me. I have read many of his books, and they all do what a good book should do: they make you think about life from a new and fresh perspective. Except for me, Rob Morgan has probably spoken at Shadow Mountain Community Church more than anyone else. Our people love him.”

Dr. David Jeremiah

Senior Pastor of Shadow Mountain Community Church and Founder of Turning Point Radio and Television Ministries

“Without reservation I recommend my friend Robert Morgan. You’ll find Robert to be competent, clear, and kind. Spiritual wisdom and principles flow from his pen and his lips without hesitation. We have had him several times at our church and received a great response.”

Gregg Matte

Senior Pastor of Houston’s First Baptist Church, Author of “Difference Makers”

“Rob Morgan is one of my favorite authors, speakers, and Bible teachers. You should read every book he’s written: read them, underline in them, digest them.”

Dr. Jack Graham

Pastor of Prestonwood Baptist Church

“Rob Morgan’s communications are compassionate and complete. Whether you read him or hear him, he is an example of sound exegesis, exposition, energy, and encouragement. While he is a pastor’s pastor, he’s also a people person. His delivery is enlightening, embracing, and edifying! Our congregation loves to hear and read him and look forward for his return as our evangelist and energizer. He is my friend, brother, and a modern day Jude. I read him, repeat him, and with his humble approval I plagiarize him. I joke with our congregation at times and tell them when they hear him say what I say, we collaborated after I read what he wrote. I thank God for Rob’s heart, head, and hands. He is an unselfish presenter and proclaimer - an unusual gift to the kingdom.”

Earl Mason

Senior Pastor of Bible-Based Fellowship Church Of Temple Terrace

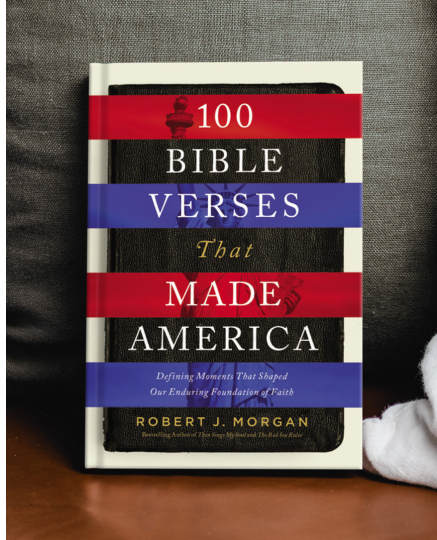

“Robert Morgan is one of those rare communicators that can tell a story as well as he can write one. He is a master communicator who delivers a powerful, thought-provoking message in a humble, yet assertive style. You will love having him come speak to your church!”

100 Bible Verses That Made America:

Defining Moments That Shaped Our Enduring Foundation of Faith

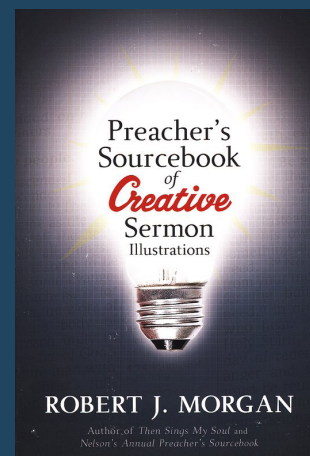

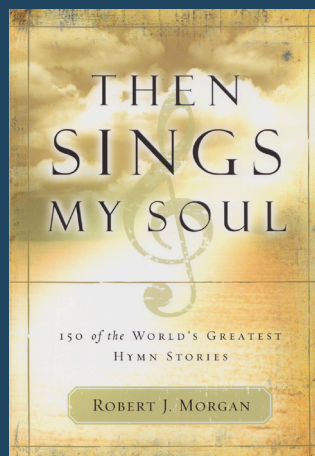

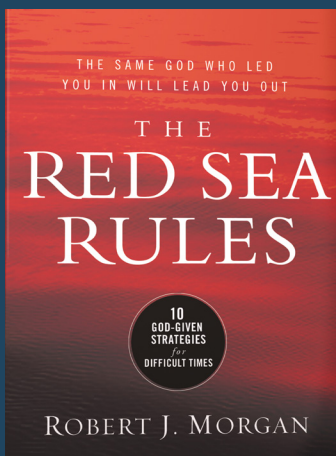

The Bible has played a starring role in American history from our nation's beginnings. When George Washington was sworn into office as our first president, he did not place his hand on the Declaration of Independence or the Constitution of the United States, as hallowed as those documents are. Instead, he swore upon and even kissed the Bible to sanctify this important moment. The Bible, Washington knew, had ushered American history to this point.

Trying to explain American history without its Bible is like trying to understand the human body without its bloodstream. Had there been no Bible, there would be no America as we know it. It is the Bible that made America.

While not every Founding Father was a Christian, a Bible-believer, or a paragon of virtue and not every leader has honored the Bible nor appreciated its influence, there is an undeniable history of leaders who've been intimately acquainted with the contents of the Bible, who've studied its scriptures and respected its teachings. Journey with Robert J. Morgan as he teaches about the Bible's role in the defining moments and impact on the people of our nation's history, reminding us of the beauty at the intersection of faith and country and reigniting our hearts' passions for both.

- **Exhorting** people towards a steadfast commitment to Scripture through personal devotions, memorization, meditation, study, application, and sharing with others
- **Encouraging** people through Scripture's promises, guidance, and truth
- **Educating** people by introducing or deepening an appreciation for Christian heritage

"But life is worth nothing unless I use it for doing the work assigned me by the Lord Jesus—the work of telling others the Good News about God's mighty kindness and love."
